## **“Things To Watch For When Its Been A Ruff Day”**

### **SORE PADS**

Running amok may be rough on your doggie’s feet, and they may get sore and abraded pads. This will go away as their pads get thicker and use to running on different surfaces.

### **SORE MUSCLES**

Your doggie will be having so much fun playing at Barkaritaville Doggie Daycare, that they may forget to pace themselves and get sore muscles. Over time this will fade as you see them get stronger and more in shape.

### **EXHAUSTED**

The new social interaction your doggie will encounter while being at Barkaritaville Doggie Daycare will be both physically and mentally exhausting. Look for your doggie to need a lot of rest when they get home.

### **WET COAT**

Your doggie’s coat may be wet when you pick them up during the summer – on hot summer days they may have been lounging in the pools. Not to worry, the water is changed very frequently to keep them clean and healthy.

### **HAPPY DOGGIE**

Their tail will be wagging and you may even see a smile on their face. It’s their way of saying “THANKS” for bringing them to Barkaritaville Doggie Daycare.
